

PRISE INCEPTION WORKSHOP

Inception workshop for the Pest Risk Information Service (PRISE) which took place on 16th - 17th March 2017 at Maanzoni Lodge, Machakos County. The project is financed by the UK Space Agency through its International Partnership Programme and is aimed at bringing together earth observation technology, satellite data, and plant health modeling and real time ground observation to deliver an early warning system on crop pests to farmers in Kenya, Zambia and Ghana. At the inception workshop, stakeholders gained more insights to the project, identified and confirmed the priority crops and pest for the Kenya, available data and information on crop pests, earth observation data and communication strategies that enable the outputs of project respond to farmer needs and provide insight on how to ensure sustainability of PRISE
